Our way to be

As a DMC, we do not only provide creative itineraries and exemplary management but, above all, we make constructive contributions to the incentive, motivation and meeting management industry.

We are not only a passive handling agent but an active consultant who collaborates with his clients in building up a successful programme and delivers it under the exact contracted prescriptions.

We are, according to the SITE definition of a DMC, a local service organisation that provides consulting services, creative events and exemplary management logistics based on an in-depth knowledge of the destination and the needs of the incentive and motivation market.

That means that:

- *we are an expert and committed adviser who can support our client during the selling and promotion process of incentive, motivation, or conference travel;*
 - *we possess an in-depth knowledge of the destination, we have excellent strong relations with reliable local suppliers and we are a crucial and dependable link between them and the client;*
 - *we respect both in letter and in spirit all commitments made to the clients and suppliers;*
 - *we provide creative programmes and events, outstanding customised services and exemplary management of logistics during the operations;*
- *we put at the client's disposal all the necessary means and staff support and we are fully available for the client before, during and after the execution of the programme.*
- In few words, as a professional DMC, we strive all times for*
- *Creative conception*
 - *Perfect planning*
 - *Impeccable performance*
- acting according to the Code of Ethics of SITE that we have undersigned once we were accepted of being part of it.*
